Founded in 1996, the Knights of York is a modern-day band of brothers who pursue one noble mission – to improve the lives of children in need. Their motto, “Every Knight for Their Tomorrow,” is a vow the Knights take to succeed in their goal. A 501(c) (3) nonprofit organization, the Knights of York began as a result of professional friendships, and they continue to work compassionately to raise funds for lesser known causes. To date, the Knights have donated nearly one million dollars to support medical research, educate autistic children and provide resources to worthy community programs. It is our wish that you support the Knights of York by participating in this year’s event.
